Building Capacities for Cultural Renewal

Successful Summer Courses!

We had an enriching four-week online Summer Intensive with students participating from their homes throughout the US

Highlights included:

- Welcoming new students into our early childhood and elementary teacher education courses
- An impactful four-part series on Socio-Cultural Change in Waldorf Schools
- In-depth instruction and artistic work delivered online
- Graduate Capstone Presentations
- Graduation Ceremony over ZOOM

Upcoming Fall Course

Looking forward to our fall course - offered online

Diversity in Learners - Delve into the different ways learners and learning can look in a classroom, including temperaments and constitutional types as well as cultural, ethnic, economic, religious and gender diversity.

Grades Focus - Multicultural education and teaching history in a Waldorf school

Early Childhood Focus - Learning in early childhood and how we shape children and their futures
